BLACK ATTACK (PRE SALE)

Blackberry Imperial Stout

Very thick and delicious, lots of blueberries reminds the juice itself. Pleasant refreshing berry aroma and bloody-red sticky foam work as an introduction into chocolate berry ice-cream smoothie with pretty hidden alcohol in it. Incredibly interesting.

DOUBLE TROUBLE

American Strong

We like strong beer, we like bitter beer. And this beer is bitter and strong at the same time. Why isn't it DIPAs? This is definitely not a simple American strong ale. There are really lots of hops, but there are also tons of maltiness.
